

The University of Exeter is one of the UK's most popular and successful universities with the Streatham campus widely regarded as one of the most attractive in Britain:

"Exeter is very easy to fall in love with. It has one of the most beautiful campuses in the country, in one of the most beautiful counties in Britain."
- Virgin Alternative Guide to British Universities, 2005

"Exeter is one of Britain's most popular universities in terms of first-choice applications ... The main Streatham campus, close to the centre of Exeter, is one of the most attractive in the country, with a lively social scene".
- The Times Good University Guide, 2007

The Innovation Centre is located next to the School of Engineering, Computing and Mathematics. The school is home to Exeter Advanced Technologies (X-AT) complete with rapid prototyping, materials characterisation and electronic testing facilities.
